WHAT THE EYES DON'T SEE

by Mona Hanna-Attisha

This is the seventh year Connecticut College is collaborating with **One Book, One Region of Eastern Connecticut** (onebookoneregion.org) for our summer reading program. Libraries, book clubs, and schools in New London County all share in a common read together over the summer.

You can learn more about the book, our summer reading program and access our library resource guide at: www.conncoll.edu/summer-reading-group.

Derek Turner, Class of '43 Professor of Philosophy and the Karla Heurich Harrison '28 Director of the Goodwin-Niering Center for the Environment will introduce the book to our community.
